

Experience

Toontales
Software Contractor

Jul 2021 - Nov 2021

Toontales is an entertainment platform and sandbox for all ages to interact and play together safely.

- Worked on a web platform that interacted with the game services, subscription management and custom blogging system.

Webspace
Web Engineer

Apr 2020 - Sep 2020

Music & video platform that empowered creators and their fans.

- Co-founded the company and led the tech team.
- Created a corporate website and developed in-house cloud tools.

Fandom
Anime Wiki Manager

Aug 2019 - Jun 2020

The world's largest fan platform and the #1 source for in-depth information on pop culture, entertainment & gaming.

- Managed +100 multi-lingual online communities ('wikis') on the platform with bi-weekly checkups and user liaison and seeding new content.
- Developed tools and scripts to increase productivity in the team.
